

# A Thanksgiving Message from Dr. Buchanan

We are happy to welcome in the fall season, known to many as one of the most beautiful times of the year in Santa Barbara. Fall also ushers in the holidays, which are a busy time of year at our office!

The Santa Barbara Plastic Surgery Center continues to thrive. Dr. Buchanan maintains his active aesthetic practice as before, and looks forward to providing excellent plastic surgery care for his many happy patients for several more years to come. His expertise, experience, and attention to detail translates into many satisfied patients and has allowed for the exciting growth of our practice.

Dr. Wesley Schooler has quickly established a reputation as a tremendously talented and caring surgeon. He has become the “go to” surgeon in the Central Coast for difficult reconstructive surgery problems. He is building his cosmetic practice as well, and is assuming more of the day-to-day responsibility for managing and overseeing the business aspects of the Santa Barbara Plastic Surgery Center.

We have a loyal and talented office staff of long-time employees who go out of their way to provide sensitive and caring attention for our patients. Thank you for your ongoing support. We are blessed to have so many thoughtful and caring patients and staff.

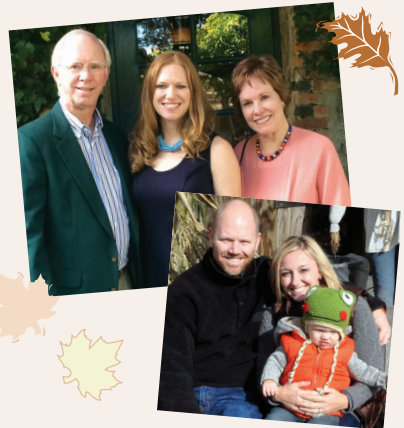

**HOLIDAY SPECIAL:** 10% discount on Eyelid Surgery in November and December!

From my family to yours, Happy Thanksgiving!

*Dr. Buchanan, M.D.*

David L. Buchanan, MD, FACS

Please call Kristi for consultations at 805-770-3333.
